

WORKERS' COMP FOR HARD-TO-PLACE RISKS AND UNDERSERVED NICHE MARKETS!

NEW EXCLUSIVE WORKERS' COMP MARKET FROM SIU

SIU has partnered with Cimarron Insurance Company to provide an integrated set of workers' compensation insurance products and services designed to help clients control their total cost of risk, improve safety and enhance productivity.

A SAFE WORKPLACE IS MORE PRODUCTIVE & PROFITABLE

In addition to the workers' compensation insurance products, Cimarron offers a wealth of expertise, experience, and resources to help clients create and sustain a safer workplace to the direct benefit of both employees and employers. In short, a safe workplace is a more productive and profitable environment to support success.

In the event a claim occurs, Cimarron delivers forward leaning claims services designed to ensure employees are provided appropriate care with a clear focus on early-return-to work.

Early-return-to-work has proven to be in the best interest of employees and employers. To protect employers, the cost of insurance and the integrity of the insurance product, the company also works to make certain claims are valid and seeks to prevent fraudulent claims.

MINIMUM PREMIUM IS \$10,000 THE ONLY RISKS THAT WILL NOT BE CONSIDERED ARE HEALTHCARE AND HEAVY CONSTRUCTION.
